

Dear friends,

Mustang Softball is so excited to announce that we are now seeking individual sponsors for each one of our softball teams. In doing so, we hope to provide our girls with the opportunity to grow and play at more competitive levels without leaving our home town of Hanover. Mustang Softball is dedicated to providing the girls in our community with a softball program that teaches life skills such as, confidence, teamwork, leadership and sportsmanship. While we have unwavering support from our parents, coaches and players, Mustang Softball would like to create a relationship between our organization and the surrounding community. Our goal is to grow our organization and provide our girl's opportunities to become more involved in the community.

In order for our program to grow we are asking that you please consider becoming a sponsor. Your sponsorship money will go towards the cost of providing each girl a uniform with your company name on them along with equipment to help build our program. We hope that with receiving sponsors we can continue to grow our Mustang Softball and West Manheim X-treme programs each year. We can't do this without the support of our local businesses. We hope that you will consider becoming a sponsor for one of our teams. Any donation amount would be a tremendous help to our program and families.

Thank you for your consideration,

Melissa Hickman
